

Wrestle the Rhinos in the Wilds of Your Workplace.

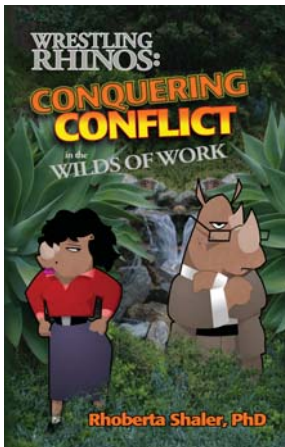

Engage your executives and employees with the skills that clarify communication, reduce conflict and relieve tension.

Knowing the right moves gives teams and leaders the confidence and competence to handle uncomfortable, confrontational and confusing situations that threaten productivity and profit.

The Wrestling Rhinos Seminar Series for organizational professional development teaches all the right moves.

Based on Dr. Shaler's latest book, *Wrestling Rhinos: Conquering Conflict in the Wilds of Work*, the Wrestling Rhinos Seminar Series is especially designed to address the unspoken and often avoided problems in the workplace that lead to reduced performance, absenteeism, high-turnover, stress leave, and profit-leaks.

Six Seminars on Communication, Conflict & Anger Management, Negotiation, and Networking:

- ⊕ **Say What You Mean: Effective Communication Skills**
- ⊕ **Managing Conflict Productively Without Losing Clients, Colleagues or Credibility!**
- ⊕ **How to Make An Entrance & Work A Room**
- ⊕ **Managing Difficult People Productively**
- ⊕ **How to Negotiate Anything With Anyone, Anytime**
- ⊕ **Don't Tell Me to Calm Down! (Anger Management)**

All programs are available as 3-hour, full-day and retreat length sessions, each program can be tailored to suit your precise and unique organizational needs. Mix and match them to cover all your bases and give your people the skills they need. Also available, teleseminars on similar topics that can quickly help your teams become more productive, progressive and peaceful and profitable.
